*You can quantify this however you'd like. I stick to whatever fits in my rubbermaid container but you may choose to stick to a certain number. (i.e. under 20 items?)*

I \_\_\_\_\_ will only keep \_\_\_\_\_  
Holiday decorations from this point on. I chose this amount because \_\_\_\_\_

**My Favorite Holiday Traditions:**

**Now, give an estimate on how much you think these traditions cost AND (if applicable) list 1 way you could make it more affordable.**

i.e. My tradition is having the family over for appies on Christmas Eve. To make it more affordable, this year I'll buy less appies (we always have leftovers) and I'll cut the fruit myself to save on an expensive platter. That's 2!
